

Multi-Function Thermometer

with max/min & alarm functions

- incorporates foldaway stand, pocket clip & probe cover
- displays both temperature & alarm set temperatures

The Multi-Function thermometer is compact and easy to use and displays both the temperature and the alarm set temperatures. Ideal for restaurants, bars and cafes as an economical solution for temperature measurement applications.

The thermometer features a display hold facility and a max/min memory function together with an adjustable audible high/low temperature alarm. Each unit is supplied with a stainless steel, food penetration probe (Ø3.5 x 125 mm) with one metre PVC connecting lead, pocket clip and probe cover.
