Grime-Eez Paint is the ultimate portable hand wipe for the removal of paint and similar solvent or petroleum based products. Whatever the situation Grime-Eez Paint will be there

Thanks to its portability Grime-Eez Paint can go with you and keep you clean in almost any industrial environment without the need for water. Thanks to the unique impregnation system, Grime-Eez Paint includes a powerful alcohol based cleaning solution that quickly gets to work on paint and related stains cleaning fast. Even for low volume use Grime-Eez Paint is perfect thanks to its re-sealable tub containing 150 wipes that will last in excess of 18 months

> > Made in the UK - It Matters!
