safe seat

Safe Seat Toilet Wipes effective against all harmful bacteria commonly found on and around toilet fixtures

Bacteria found on the toilet seats can lead to gastritis, gastroenteritis and urinary infections. In itself, reason enough to give wipes the thumbs up.

Safe Seat Toilet wipes are impregnated with a bactericidal, fungicidal and virucidal that makes them ultra safe to handle and excellent at germ blasting. Produced and tested by an accredited laboratory. Safe Seat Toilet Wipes are alcohol impregnated thus aiding rapid drying – the toilet seat is dry and ready to use immediately after disinfection.

The Safe Seat Toilet Wipes are supplied in tubes of 100 wipes with the option for refill packs. Wall brackets also available
