pocket | probe

This convenient product is small enough to fit in your pocket, yet contains the same powerful chemical from its big brother, Sanisafe

In today's food preparation areas, hygiene guidelines are tough and the risk of cross contamination through neglecting these requirements puts many people at risk. With the pocket probe wipes, cross contamination is eliminated with a single stroke, killing off all potentially lethal bacteria from passing from one product to another

Available Formats

CODE:	DESCRIPTION:
4099826	Pocket Probe Disinfectant Wipes 70 wipes per tub
