

Temperature Logger for the Beverage Industry

EBI-125 A for Bottle and Keg Cleaning

in bottles

Dummy bottle

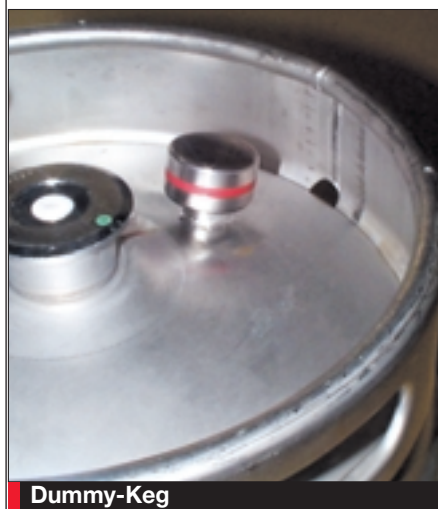

other bottle sizes (NRW, etc.) on request

EBI-125 A data logger for dummy bottle

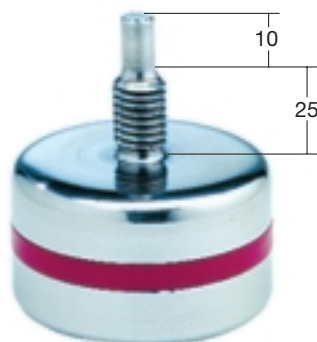

(-40 to +125°C/140°C)

Keg-Logger

Dummy-Keg

A threaded adapter is welded into the keg (at ebro on request)

EBI-125 A Keg

(-40 to +125°C), with M10 threading, external sensor

| Description | Type | Part No. |
|-------------------------------------|---------------|------------|
| Temperature logger | EBI-125 A | 1340-1916 |
| Keg logger | EBI-125 A Keg | 1340-1959 |
| Keg adapter | | 1340-1890 |
| Dummy bottle 1.5 l | | on request |
| Dummy bottle 1.0 l | | on request |
| Dummy bottle 0.7 l, stainless steel | GDB | 1340-2250 |
| Dummy bottle 0.5 l, stainless steel | NRW | 1340-2252 |

Data Logger Sets for the Beverage Industry

EBI-Pasteur

The temperature monitoring system for pasteurization, consisting of:

- Temperature logger EBI-125 A-EM-L-6, lengths: 135mm, 190mm, 245mm, 300mm
- 2 bottle adapters EBI-FL-S
- 1 can adapter EBI-DA
- Interface-Set EBI-AE-S, Version C
- Software EBI-WINLOG 2000, professional version
- Teflon tape, case

Please indicate the needle length for the data logger in your order.

EBI-Clean

The temperature monitoring system for bottle cleaning, consisting of:

- Temperature logger EBI-125 A
- Perforated metal dummy bottle (other sizes available on request for surcharge)
- Interface-Set EBI-AE-S, Version C
- Software EBI-WINLOG 2000, professional version
- Case

EBI CO₂ -Set

consisting of:

- Temperature/pressure logger EBI-125 A-PT-U-10
- 2 bottle adapters EBI-FL-S
- 1 can adapter EBI-DA
- Interface-Set EBI-AE-S, Version C
- Software EBI-WINLOG 2000, professional version
- Teflon tape, case

| Description | Type | Part No. |
|---|--------------------------|-----------|
| Pressure logger set for pasteurization | EBI-BAR-SET | 1340-2160 |
| Temperature logger set for bottle cleaning | EBI-CLEAN-SET | 1340-2150 |
| Pressure logger set for CO ₂ check | EBI-CO ₂ -SET | 1340-2165 |
| Temperature logger set for pasteurization | EBI-PASTEUR-SET | 1340-2155 |
